Dear Kendra,

This is in response to your RFAI dated on March 19, 2013 related to our 30 Day Post General and Year End Reports.

Both reports are disclosing a negative ending cash balance which obviously suggests that our account has been overdrawn. This is not and has never been the case. It may also suggest that we incurred a debt or obligation and that is also not the case. This only leaves a mathematical or software error.

I have been working closely with our vendor (Complete Campaigns) to find the problem. Once we have identified the problem the appropriate reports will be amended immediately.

Kendra, I am available to answer any questions you may have regarding this RFAI. It is my intention to have this situation corrected as soon as possible.

Most sincerely,

Lisa Teschler  
Treasurer
